***Response to Amendment***

The reply filed on 9/14/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicant elected to prosecute the invention corresponding to group I and Species A, but failed to elect a subspecies. The last restriction requirement is outline below as it was in the action mailed on 7/18/05.

Election from the following subspecies is required:

Species C wherein the pinion rotates 360 degrees as the lance holder moves from a cocked position to a fixed position back to the cocked position

Species D wherein the pinion only rotates 180 degrees as the lance holder moves from a cocked position to the fixed position

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
